

Dear Guest,

Firstly, thank you for booking your stay in the Cotswolds with us at Monks Mill Barn, we hope you'll agree when you arrive, that it really is a beautiful location and the perfect place to be if you want to get away from it all. We look forward to welcoming guests from 4pm on the day your booking starts.

### **Directions:**

The address for Monks Mill Barn is:

**Monks Mill Barn**

**Wortley**

**Wotton-under-Edge**

**Gloucestershire GL12 7QP**

Once in the village of Wortley, there is a turn signposted to Ozleworth (on right hand side if coming from Alderley, on left hand side if coming from Wotton Under Edge). This is Hillmill Lane. Take this turn and follow this narrow road for approximately 400m until you see the entrance to Monks Mill Barn on the right hand side, marked with a large carved stone.

### **Once you arrive:**

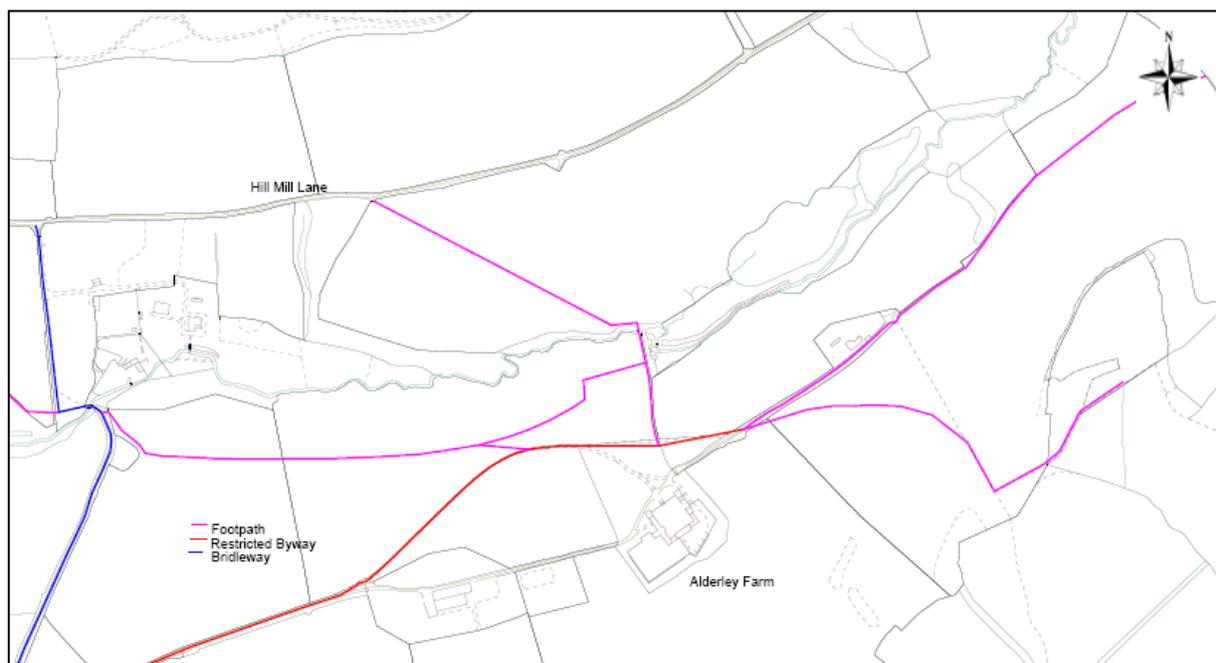

We ask all of our guests to remember that the cottage is situated on a working estate and thus, all gates need to be kept shut, in particular the main metal gate leading off

the road down to the property, as livestock are often in the fields around the barn, even if not immediately apparent. Follow the concrete road down the hill and round to the left, over the cattle grid and then park on the left. Please ensure that this designated parking is used as access must be left clear at all times.

Please enter the property by the stable door at the far end of the cottage. The key to enter can be found in the key safe on the wall to the right of the door. The code to open it will be the last 4 digits of the mobile number you used when making the booking. When walking around the cottage at night, be aware of the stairs to the right hand side of the cottage as due to the presence of bats, they cannot be lit.

When you enter the cottage, you will find a bag from Wotton Farm Shop with some complimentary items on the breakfast bar. If you like the food in the welcome hamper, why not visit the farm shop just on the other side of Wotton-under-Edge for a great selection of locally sourced produce. An information pack will also be there which contains practical details for your stay, such as bin collections etc. as well as details of local attractions, restaurants and pubs. If you do want to go straight out for dinner or stop somewhere close by, then we would recommend The Gumstool Inn at Calcot Manor for great, locally sourced, classic British pub food or alternatively try any of the local pubs in Wotton-under-Edge or Tetbury. The pack will also contain emergency contact information.

If you are keen to explore the surrounding countryside, depending on the time of year, guests may want to bring wellington boots or walking boots with them. Ordnance Survey maps of the surrounding areas are provided for your use containing detailed walking routes. Can we please ask that you remain on the public rights of way at all times for your safety and that of the staff who work on the estate.

Due to its surroundings, we must remind guests that dogs must be kept under control at all times when outside. They should also not be left unattended inside the barn at any time.

While guests may bring younger guests with them, no provision has been made of the associated equipment.
